Kyiv, 07 November 2022

Dear Mr. Szymanski,

First of all, I would like to express my sincere gratitude for your initiative in holding such an important for Ukraine event W4UA at a time when my country continues suffering from brutal Russian aggression.

Maintaining international support and consolidating efforts of the governmental, private and expert circles in providing Ukraine with much needed humanitarian, social and economic assistance remains vital.

Therefore, I am happy to note that the Ministry of Foreign Affairs of Ukraine is ready to take patronage over the event which is due to be held on 7-9 December 2022 in brotherly Poland.

We will also instruct our Embassy in Poland to provide You with the organizational and information support needed.

Sincerely,
